

PROJECT No. 121

Preparation of Proposal—

The blank spaces in the proposal must be filled in correctly, where indicated, and typed or written in ink.

Supplemental Questionnaire—

Blank Supplemental Questionnaires, furnished with each Proposal, must be filled out and attached to each bid submitted.

Bid Guaranty—(Payable to the “Director of Transportation”)—

Each bidder shall be required to file with his bid a certified check or cashier's check for an amount equal to five per cent of his bid, but in no event more than fifty thousand dollars, or a bid bond for ten per cent of his bid, payable to the “Director of Transportation.”

In the event a bidder chooses to use a bid bond, it must be submitted on the department's “Bid Bond” form, copies of which are enclosed herewith.

Bid Proper—

The bidder is required to fill in, in the “Unit Price Bid” column, a unit price for additions opposite each item for which there is a quantity given in the “Approximate Unit Quantities” column. The gross sum of the totals in the “Total Amount Bid” column shall equal the sum (shown on page 10 of this proposal) bid for the work.

The total given on page 10 is only for the convenience of the Director in reading bids. The attention of the bidder is directed to Sections 5525.11 and 5525.18 of the Revised Code of Ohio.

The unit prices specified in the “Unit Price Bid” column will govern the award of the contract.

The contractor shall make the extensions in “Total Amount Bid” column and also add up the totals. However, the unit prices specified, together with the approximate quantities shall determine the total amount of the bid. If there is an error made in the extensions by the bidder, the total shall be changed as only the unit prices shall govern.

The quantities in the “Approximate Unit Quantities” column are those given in the engineer's approximate estimate and are those which will be used in determining the total amount of each proposal for this improvement and for the purpose of determining the lowest bidder. It is understood and agreed that these quantities are approximate only. The bidder must give a unit price for each item named. Failure to do so will render the bid informal at the discretion of the Director.
