Ms. Nye,

As requested by your office, we have researched parcel number 29-50-01-01-002. This parcel was created as a result of 1.22 acres (29-50-01-02-001) being split off of the parent tract. ODOT purchased this parcel, for Muskingum County (DR 1152-143), when ODOT constructed the new State Route 16. We have found that the entirety of the remainder of this parcel is in the right-of-way of the realigned Old Riley Road (Township Road 95), and therefore parcel number 29-50-01-01-002 can be removed from the records.

Please contact our office if there are any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Doug Davis'.
