- NOTES**
- ▽ SQ. 21 Recorded Alley Location as recorded in John Dillon Subdivision (DB 7 / Pg 66). Duro Real Estate LLC deed (DB 2458 / Pg 762) Tract 5 - Parcel 2 legal description calls out an alley vacation across Lots 2 & 3, and extends these parcels across Lot 6. Alley Vacated for Lot 1 (DB 2458 / Pg 762), and Lots 4 and 5 (DB 1130 / Pg 0617). are not called out, and these deed dimensions are 10-ft short of the south line of Lot 6.
 - ▽ SQ. 21 Undocumented and Unrecorded Alley. Alley Vacations for Lot 1 (DB 2458 / Pg 762), and Lots 4 and 5 (DB 1130 / Pg 0617), are not called out and no vacation ordinances were found. The deed dimensions are 10-ft short of the south line of Lot 6. This 10-ft strip is currently being used as an alley access to parking between Fourth St. and Court Alley for the City of Zanesville Building. The City of Zanesville may or may not have a Right-of-Way interest in this area.
 - ▽ SQ. 21 Undocumented and Unrecorded Alley. There are no vacation ordinances found for the alley at the south side of Lot 6, for the extended Lots 2 & 3 parcels (DB 2458 / Pg 762). These are Lots in the John Dillon's Subdivision as recorded in DB 7, Pg 68. The deed description calls for the extension of Lots 2 & 3 across "part of a vacated alley" in the original platted location, and "extending across said Lot 6". The description does not specify how far across Lot 6. This 10-ft strip is currently being used as an alley access to parking between Fourth St. and Court Alley for the City of Zanesville Building. The City of Zanesville may or may not have a Right-of-Way interest in this area.
 - ▽ SQ. 21 Lot 16 Northeast Corner R/W 'Notch'. Historical Tax Maps and South St construction plans show a 43' x 47' "Notch" in the NE cor of Lot 16. Original Plat by Dillon & Hampsons - Bk G / Pg 233 shows the "Notch" east of the Range Line. Duro Real Estate LLC deed (DB 2458 / Pg 762) Tract 4 - Parcel 2 & 3 legal descriptions appear to call out the northeast corner without the 'Notch' in Lot 16. The City of Zanesville may or may not have a Right-of-Way interest in this area.
 - ▽ SQ. 21 Lot 16 Parcel Gap. Duro Real Estate LLC deed (DB 2458 / Pg 762) Tract 4 - Parcel 2 & 3 legal descriptions appear to call out the northeast corner without the 'Notch' in Lot 16. Parcel 1 legal description begins at the northwest corner of Lot 16, with the east line of Court Alley being a common line for these deed descriptions. This creates a 4.50-ft gap between Parcels 1 and 3. Also, the GIS Tax Map linework appears to be incorrect in this Lot 16 area, and the Parcel 3 area has an extra tax parcel ID.
 - ▽ SQ. 21 Lot 19 Parcel Overlap. Duro Real Estate LLC deed (DB 2458 / Pg 762) Tract 7 - Parcel 1 legal description calls out a 33.50-ft strip off the south half of Lot 19. This description also fits very well with the field survey and building occupations on Lots 20, 21, 22, and 23, and also with Survey B-44 by Robert Pinnick (January 1966). This leaves a remainder of 33.50-ft wide on the north half of Lot 19, with Lot 19 being a total of 67.00-ft wide. Duro Real Estate LLC deed (DB 2458 / Pg 762) Tract 8 - Parcel 2 legal description calls out a 41.50-ft parcel width with the north line of the parcel being the north line of Lot 19. The deed width for this parcel creates an 8.00-ft overlap into the south parcel of Lot 19.
 - ▽ SQ. 21 South St. R/W. The north R/W line of South St. was held going through an Iron Pin Fnd on the north side of South St. at the southwest corner of Court Alley. This line was offset to the south by a 53.00-ft width to the south R/W line of South St.
