The undersigned hereby certifies to Beal Nevada Service Corporation, Successors or Assigns that this Survey (i) was made on the ground as per the field notes shown hereon and correctly shows the boundary lines and dimensions and area of the land indicated hereon and each individual parcel thereof indicated hereon; (ii) correctly shows the location of all buildings, structures and other improvements, and visible items on the subject property; (iii) correctly shows the location and dimensions of all alleys, streets, road, rights-of-way, easements, and other matters of record of which the undersigned has been advised affecting the subject property according to the legal description in such easements and other matters (with instrument, book, and page number indicated); (iv) correctly shows the location of all streets and roads providing access to the subject property and that the following streets and roads which provide such access have been dedicated for public use and are completed and have been accepted by the appropriate governmental authorities (list below all public streets abutting the property); (v) correctly shows the locations of all portions of the subject property which are located in an area designated as a "flood prone area" as defined by U.S. Department of Housing and Urban Development pursuant to the Flood Disaster Protection Act of 1973 or as having special flood hazards (or if no part of the subject property is designated as being a "flood prone area" or as having special flood hazards, the surveyor shall so state and certify); (vi) except as shown, there are no visible easements, rights-of-way, party walls, or conflicts, and there are no visible encroachments on adjoining premises, streets, or alleys by any of said buildings, structures, or other improvements, and there are no visible encroachments on the subject property by buildings, structures, or other improvements situated on adjoining premises; (vii) the distance from the nearest intersecting street and road is as shown hereon; and (viii) this survey complies with the current Ohio Standards for Boundary Surveys as set forth in Chapter 4733-37 of the Ohio Administrative Code.

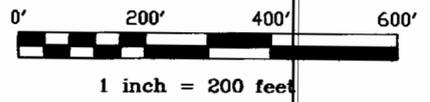

The Borrower will provide to the Administrative Agent the Borrower's existing surveys either certified to the Administrative Agent or accompanied by an acceptable reliance letter. The surveys must be sufficient to allow the issuer of the Title Policy to delete exceptions for survey matters as required by the Administrative Agent. If the surveys the Borrower provides are not satisfactory to the Administrative Agent, the Administrative Agent will advise the Borrower what needs to be done to make such surveys satisfactory.
