Permit Application

Permit # _____

Installations of Private or Commercial Driveway and Approach (Private Access to a County Highway)

Application is hereby made by _____
(printed name of owner)

to establish private access on to _____, a county highway.
(county road name)

The private entrance is located (address/county road name/number):

If the county engineer or representative determines that a culvert is necessary for proper drainage along the roadway, the property owner shall make payment to the Muskingum County Engineer for all material required to adequately install any culverts, catch basins, aggregate for backfill, etc. Payment shall be made in advance of the pipe installation by the county. Material cost will be based on current year prices. Checks should be made payable to: Muskingum County Engineer, 155 Rehl Road, Zanesville, OH 43701.

I understand that the granting of this permit does not in any way abridge the rights of the Muskingum County Engineer and Commissioners in their jurisdiction over county highways.
