Addendum No. 1
Cranberry Lane, Licking Township
Culvert Replacement

March 8, 2024

RE: ODOT Prequalification preferred

Revise requirement for ODOT Certification of Qualifications

Bidders are not required to be currently qualified through the Ohio Department of Transportation to perform the work outlined in the plans and bid documents. The ODOT Prequalification is preferred but not required. Contractors submitting a bid for the project that are not ODOT prequalified should submit an experience record listing similar projects completed in order for the county to review and determine the bidder is eligible to perform the culvert replacement.
