Muskingum County Transportation Improvement District
East Pointe Drive - Slip Repair/Road Improvement

Addendum No. 2

“As Per Plan” items:

The “As Per Plan” pay items have been included as estimated quantities to be used/performed at the direction of the Engineer. The depths/limits for these pay items shown in the plans are tentative and the exact limits shall be determined by the Engineer based on the field soil conditions.

Item 203 – Granular Embankment, as per plan pay item quantities shall not be ordered by the Contractor unless directed to do so by the Engineer.
