The permit shall furnish a color photo of the transport vehicle to be utilized for the haul. A diagram shall be provided with specific measurements of the transport vehicle and load. If a special hauling permit is issued through the Ohio Department of Transportation for use of state routes within Muskingum County, a copy shall be provided with the permit.

2. The POSTED ROAD (Annual) permit allows the holder to travel on county roads that have been posted "30% Reduction" in weight limit within Muskingum County between January 25 and April 30, for the purpose of delivery/transport of: aggregate, concrete, asphalt, building supplies, refuse, construction equipment or material to a job site, agricultural equipment or material, or other material or equipment hauled for any purpose that exceeds the "30% Reduction" in weight limit. The permit holder must travel roads that are NOT POSTED, when possible, to reach the desired destination. This permit DOES NOT ALLOW the use of any road crossing bridges that are posted at a lesser allowable tonnage than the weight of the permitted vehicle described on the permit.
