SURVEYOR'S RATIONALE

IN DETERMINING THE BOUNDARY LINE ALONG THE MCKEE PROPERTY LINE IT WAS STATED BY THE LANDOWNER THAT THE EXISTING FENCES WERE EIGHTY PLUS YEARS OLD AND WELL ESTABLISHED. FENCE LINES OF OCCUPATION WERE USED IN ESTABLISHING THE LINES ALONG THE MCKEE PROPERTY. A STONE WITH A CHISELED "X" WAS FOUND AND USED AS EVIDENCE TO SUPPORT THE LOCATION OF MCKEE'S LINE. RECORD "E" CALLS FOR A WOODEN FENCE POST WE BELIEVE WAS FOUND, HOWEVER THE SAME RECORD DID NOT LOCATE THE STONE.
