SURVEYOR'S NOTES:

No proration of lots were required. Occupation lines within the surveyed block are consistent with original lot dimensions or subsequent lot splits. This block was surveyed independent from blocks North of Limestone Valley Road. No attempt was made to establish the original 66 foot wide right of way. All indications within the platted town of Newtonville show that blocks have been perpetuated independent from each other.

This plat was prepared by C. R. Harkness Surveying & Mapping Inc. in accordance with Chapter 4733-37 of the Administrative Code, from an actual survey and is intended to be used for the legal transfer of the property shown and does not intend to show all or any easements of record, nor easements otherwise indicated.
