BASIS OF BEARINGS

Bearings are based on an assumed  
north meridian and are for angular  
calculations only.

Surveyor's Note: This parcel of land  
surveyed was intended to be transferred to  
the adjoiner to the west, (Charles and Susan  
Long), but the legal description did not  
include it in their description and even  
though it was shown on the tax map as  
being owned by the adjoiner to the  
east, (Thomas Fosco, and Kevin Shipley), it  
was not in their deed either.
